Release Your Past To Receive Your Future

- The "voice of reality" revealed.
- Release the spirit of unforgiveness.
- Release bad decisions and mistakes.
- Receive a future filled with hope, peace and joy.
- Release circumstances beyond your control.

What Shoe Are You?

A fun, fast paced, interactive, seminar on how to get along with any personality type. You will learn visual clues to each of the four personality "shoes."

- The organized, no nonsense, all business shoe.
- The fun-loving, notice me, clown shoe.
- The driven to succeed, take no prisoners, combat boot.
- The relaxed, comfortable, take it easy, house shoe.

This seminar gives a whole new meaning to the concept of "walking in the other person's shoes."
